III. Student Understanding of Youth Apprenticeship Program Commitment

As a Youth Apprentice, I agree to:

- Maintain the academic and attendance requirements required by the Youth Apprenticeship Partnership, my school, and my work site;
- Observe company and school rules and other requirements identified by the employer; and
- Participate in progress reviews scheduled with mentors, school personnel, and parent/guardian.

I understand that the Youth Apprenticeship Program requires a time commitment beyond that of a typical high school student. A youth apprentice must complete 450 total work hours during the year, which usually includes summer work scheduling. This means that a typical youth apprentice averages a minimum of 10 – 15 hours per week at their job during the school year and often more time during the summer or on weekends depending upon the placement. I will be asked to provide my worksite with specific hours and days that I will be available to work. I understand that timely communication with my worksite mentor regarding unplanned changes in my personal schedule is extremely important. I understand that a youth apprenticeship placement may conflict with other obligations or interests and that employers’ decisions about hiring a youth apprentice will be affected by my availability.

Below is a list of the extracurricular activities in which I plan to participate as well as a summarized timeline for each activity. I am providing as much information as I have available and being specific, regarding activities and timelines, as I possibly can at this time.

Sport or Activity	General Timeframe (months)	Expected time of day/hours for practice and/or competition
<i>Example: Football</i>	<i>August through November</i>	<i>Practice every day from 3-7 p.m., game every Friday</i>
<i>Example: Musical</i>	<i>February through April</i>	<i>Rehearsal MWF from 5-9 p.m., Performances on Thursday-Sunday, April 6-9</i>

Summer vacations/obligations

Example: Family vacation June 20-27. Basketball camp July 8-12.
