Please list ALL other activities/organizations/co-curriculars, both in and outside of school that you plan to be involved with next school year. Will these conflict with your COOP/YA requirements?

Activity/Organization/Co-Curricular	Will it conflict with COOP/YA?

RECOMMENDATIONS

Much of the success of the COOP/YA program depends upon the quality of the students enrolled in the program. Students should possess, or be able to develop, the aptitude and qualities required for success in a given occupation. The objectives of the program can only be attained when the student is capable and desirous of receiving training.

Based on these criteria, students must have the recommendation of their HUHS counselor and supervising teacher in order to be accepted into the COOP/YA program.

TO BE COMPLETED BY YOUR COUNSELOR

How many total credits will the student have earned at the end of your Junior Year?

Does the student need both COOP/YA credits in order to graduate?

I recommend this student for COOP/YA YES NO
