

2017 Summer School Course Catalog

Course Selection Guidelines

The Skyward Student Access portal for summer school course selection opens Wednesday, February 8 at 8am and closes Sunday, February 12 at 8pm. Directions on how to register online can be found on the HUHS webpage (*Academics, Programs, Summer School*). Please note various start and end times for each class. **Students taking a course for credit are only allowed one absence.** Due to the popularity of our summer school Work Ahead courses, requests that exceed maximum capacity will follow a lottery process. If necessary, the lottery will be held on Monday, February 13. You will receive an email confirming your course selection and/or lottery results the week of February 13.

Summer School Work Ahead

5100SS	Foundations of PE Grade 9 - 10 June 12 – July 21 (no class July 3 & 4) 7:30am – 10:00am 6 weeks, Small Gym	0.5 credit This class is a required PE credit for graduation.
A sound mind and body are essential to living life to the fullest. The objectives of physical education are skill development, physical fitness, and an understanding of the need for exercise and how it affects the body. All students enrolled in Foundations of PE are required to take swimming, dance, weight training, and fitness units. The remaining units will be fitness-based activities.		
5920SS	Lifeguarding Grades 9 – 12 June 12 – July 7 (no class July 3 & 4) 7:30am – 11:30am 4 weeks, Pool	0.5 credit You must turn 15 years old by July 7, 2017
The purpose of the American Red Cross Lifeguard Training course is to teach lifeguard candidates the skills and knowledge needed to prevent and respond to aquatic emergencies. At the end of this course you will have the opportunity to be certified as an American Red Cross Lifeguard and you will be able to seek employment opportunities.		
5305SS	Strength & Speed for the Athlete Grades 9 - 12 June 12 – July 21 (no class July 3 & 4) 10:30am – 1:00pm 6 weeks, Wellness Center & Weight Room	0.5 credit
Strength & Speed class is for athletes interested in improving general athletic and physical skills. Power, speed, agility, flexibility, strength, and overall athleticism are the points of emphasis.		
5306NC	Strength & Speed for the Athlete Grades 9 - 12 June 12 – July 21 (no class July 3 & 4) 7:00am – 9:00am 6 weeks, Wellness Center & Weight Room	No credit – ENRICHMENT ONLY <i>(Cannot be combined with course 5305SS credit option)</i>

Strength & Speed class is for athletes interested in improving general athletic and physical skills. Power, speed, agility, flexibility, strength, and overall athleticism are the points of emphasis. Students who take this enrichment option can repeat Strength & Speed for the Athlete for credit during the school year.		
8415SS	Focus on Careers – Online Grade 11 June 12 – July 21 Attendance requirement is based on daily assignment completion. 6 weeks Required student meeting in May. Date to be determined.	0.5 credit This class is required for graduation and also available during the school year.
HUHS Juniors will focus on career exploration and development while introducing personal finance concepts. Students will have the opportunity to examine post-secondary options and resources available for success. Students will also focus on employability skills, job campaign credentials, interviewing techniques, and a job shadow. The Financial Literacy Graduation Requirement is met through mastering course learning targets. The Focus on Connections event associated with this course allows students to apply the concepts learned and life choices made in a simulated environment. <u>In order to successfully pass, Focus on Careers students will need to meet several course requirements during the school year. This will be communicated to all summer school students and parents during the class.</u>		
Please see Math Readiness flyer to sign up.	Math Readiness (Algebra II) Grade 9 July 31 – August 4 8:00am – 10:30am	No credit – ENRICHMENT ONLY
Students will review and practice applying Algebra I concepts needed to be successful in Algebra II (or Honors Alg II). There will be an emphasis on solving & graphing linear equations and inequalities, simplifying polynomials and solving polynomial equations. Available ONLY to incoming freshman registered to take Honors Algebra II or Algebra II. Students will need to bring a TI-83(+) or a TI-84(+) graphing calculator.
