---

February 1, 2017

Dear Parents or Guardians:

Hartford Union High School is excited to continue to personalize learning for students through our summer school Work Ahead courses.

The Skyward Student Access portal for summer school course selection opens Wednesday, February 8 at 8am and closes Sunday, February 12 at 8pm. A 2017 Summer School Course Catalog and directions on how to register online can be found on the HUHS website (*Academics, Programs, Summer School*).

Students have the ability to earn credit in advance so they can take additional credit courses during the school year. Students may register for more than one Work Ahead summer school course, however, only 0.5 credits of PE count toward your graduation requirement each year.

**Students who take courses for credit are only allowed one absence** so please consider your child's availability and commitment carefully. See the course catalog for details and specific time frames. Students who register for summer school, but do not attend, may have limited options in adjusting their 2017-2018 course schedules.

Summer school courses that exceed maximum capacity will follow a lottery process. The lottery, if necessary, will be held on Monday, February 13, 2017. All students who have registered for summer school will be notified of their status, via email, the week of February 13.

**Transportation is not provided for summer school.**

If you have additional questions regarding Work Ahead summer school, please contact Connie Darin at [connie.darin@huhs.org](mailto:connie.darin@huhs.org) or via phone at 262-670-3200 extension 213.

Sincerely,

TC Motzkus  
Director of Teaching & Learning
