De Pere lost 2 of the top 16 players in the state from last year which brought them back down to where we compete with them. Both Tanner and Andy competed well at 1 and 2 singles. Gabe and Nathan really had a stellar, competitive match but just couldn't come up with the clutch shots when needed to pull out either tie break. James looked pretty good in his first singles appearance of the season and secured a nice win by rattling off 5 straight games in the 2nd set after being down 2-5 in the second set. The match of the day was Michael Fulop's gritty performance. After getting beat soundly in the first set, he won a back and forth second set in a tie break, just to have to play a match tie break. He dominated that match tie break from start to finish with a very impressive win against a player with solid groundstrokes. While we lost both matches today, there were some great teaching and learning situations that came out of the day. If we can grow from those as the season progresses, we have a chance to make some solid improvements.
