Playing without 3 varsity players put us in a tough situation today. I have been impressed and marvel at how adaptable and willing the boys that are in the lineup have been to play wherever need be. They do the best they can when they are playing out of position and competed quite well as the scores indicate. Kris and Andy really played well and had two match points in the Match tie break against a Germantown team that would go on to win all three matches. Kevin turned in his typical steady outing moving all the way up to #2 singles. Matt performed well and had a good match at #1 singles but couldn't quite overcome his opponent that constantly attacked. Allan played a very up and down match, but gained some valuable experience playing singles on the varsity as a freshman.
