Seniors! Congratulations to all 3 seniors, Matt Melshiemer, Ethan Nieskes and Andy Tiefenthaler for their efforts and dedication to our Hartford Boys Tennis program! It was great to see all three young men earn wins on their home court to close out their playing career here! We used a very unique lineup to give some players some chances and opportunities to play something they wanted to play or to give some players a fresh perspective as the season wraps up. I was especially happy for Gabe and Nathan to earn victories at singles today as they had been struggling to pull out some very close, tough doubles matches. It was encouraging to see several players perform a bit better and for others to be good teammates as we changed things up a bit.
