Coming in to tonight's match we knew West Bend East would be a very good team from top to bottom. They had just swept Slinger and won the County Invite this past weekend. Ethan was going to have his hands full against a talented freshman and did. I was hopeful that we would compete favorably at all other positions. Kevin continued his dominant play at #4 singles which proved to be our only win. Michael gave a very nice account of himself at #3 singles against a very steady and heady player. Unfortunately we weren't up to the challenge at 2 and 3 doubles or 2 singles. I felt we lacked intensity and the type of drive or fight that we need to bring against a quality opponent. #1 doubles played mirror sets with each team being the aggressors. The all important 7th game saw us get broke for the only break of the set which proved to be our downfall. We need to regroup for a busy next 2 weeks that sees us play two tournaments and five duals.
