This was without a doubt one of the most frustrating matches in my coaching career. Waukesha North had an entire lineup of seniors (which I've never seen before) and has been doing quite well the last few seasons. We matched up our lineup the best we could hoping to compete with them based on what their lineup had been throughout the season thus far. They changed their lineup some which I felt might actually benefit us and provide some even better match ups. Judging by the scores I was right as we were extremely competitive in 6 of the 7 flights. Not being able to win any match after winning the first set in 4 positions really hurt. Losing 4 match tie breaks after losing 3 yesterday while only winning 1 was demoralizing. Kevin suffered his first loss of the season as did Tanner and Matt as a doubles combo. While I was encouraged by how competitive we were against a quality team, I fully expected to win a few matches with the way the lineups matched up. Waukesha North ended up finishing in 2nd place in the 8 team tournament and we had a realistic chance to beat them.
