Match Date:	4/12/2018	Match Location:	Hartford	
Opposing Team:	Cedarburg	Opposing Coach:	Charlie Ketelhohn	

Congratulations to the boys on earning an impressive win in our first ever North Shore Conference match! Our singles players continued their impressive run of match performances with 4 straight set victories. In doubles we had some bright spots at 1 doubles forging out to a 3-2 lead in the second set, but we were simply outgunned there by the power Cedarburg brought. Philip and Robbie were quite competitive in their match, but couldn't develop enough consistency in their serves and returns to turn the tide. At 2 doubles Allan and Nathan turned in a well earned victory. After cruising through a solid first set, they got down 1-4 and 2-5 in the second set before rattling off 5 straight games to seal our match win. Tanner followed with a bang, closing his match out with a brilliant service winner just minutes later. With the weekend off and just one non-conference match next week we have some time to fine tune some things before our schedule picks up significantly with a flurry of matches starting on April 20th when we will play 5 duals and three tournaments in an 18 day span. We're off to a nice start, but we need to keep getting better if we hope to sustain and build on the success.
