A 2-5 finish in our 3rd match was a good indication of our competitiveness today. We were simply over matched by a quality team at the top of the lineup, but we played very good, competitive tennis at 2 and 3 doubles and earned two nice wins at #3 and #4 singles. James and Gabe each had solid days finishing 2-1 and earning 2nd place medals. For us to be good as a team, those two will have to continue to perform at high levels where we are able to utilize our depth in our junior class. We are right back at it on Monday against Pewaukee, a sub sectional opponent.
