Ouch! Playing without Tanner and James at our number one and three singles spots proved to be a very challenging proposition to overcome against an already strong opponent. West Bend East is a very good team with a lot of seniors and a lot of depth. They were solid from top to bottom and we were simply over matched at most positions. I was proud of our players for stepping up to some higher positions with positive attitudes. We had some chances at 2 and 3 doubles to tilt things in our favor, but we couldn't finish some points that we were in control of. Congratulations to Spencer Parkinson for his first ever varsity match. While it didn't go well score-wise, I was proud of him for accepting the challenge. We look to bounce back on Saturday and then with a busy week next week with hopefully a full strength lineup.
