<p>While the score indicates that we took a drubbing tonight, a closer look at the individual match scores and watching the quality of the points gave us many positives to move forward with. I was extremely pleased that we got off to some good starts especially in singles. At doubles Olivia and Ava played a really good first set against a State Tournament seeded team from last season. As long as we continue to grow and improve as players, nights like this can actually be more encouraging than deflating. We played our best tennis tonight against the toughest team we've faced thus far.</p>
