<p>Ouch! I was fearful coming into this match that we wouldn't match up very well with Fond du Lac in singles. That was before I knew they had a freshman playing at #2 singles which only exacerbated the match up struggle. I was very impressed with the hitting and effort all four singles players displayed in their matches. While the scores certainly don't reflect our girl's competitiveness, it was quite evident from watching the matches. In doubles we played fantastic first sets at all three positions only to revert to error filled tennis and a lack of aggression in the second set. What showed early promise of 3 doubles wins narrowly resulted in one. It's still early, so I'm confident that our consistency will improve!</p>
