<p>Knowing how well Germantown's singles players performed last week at the Washington County Invite I was very pleased with how competitive we were against them. We were in every match and played really good tennis especially in the first set at every flight. While we couldn't pull out any match, I loved how we rebounded from our first match and played some inspired tennis. At doubles Olivia and Ava played a good match and closed it out well after being down 2-3 in the second set. Sarah and Grace had a really tough first match loss and rebounded with a very dominating performance against a decent team to secure a very good win.</p>
