<p>Playing the #1 ranked team in the state was an opportunity to see how we stack up against the best and learn from players that have worked a ton on their craft. I was very pleased with our competitive nature. While the scores are indeed indicative of the matches, I felt like Homestead had to win points against us. We looked like we belonged on the court with them and had balls in play and were able to win points and put some pressure on them in individual games. They are a very talented team, but I loved that we didn't back down or shy away from the challenge.</p>
