<p>On the day we won 15 matches and lost 10. We were 4-1 in match tie breaks and went 12-9 in varsity matches while going 1-2 in the duals. For having 8 new players in the top 12 I was particularly pleased with our performance today. We did a lot of good things trying to execute strategies we've worked on. While we didn't always execute, it was refreshing to see the effort going in the right direction to do what we want to do. Our returning players had some tough days all going 1-2 for the day, but that allowed our new players to all pick up at least one win while, Sarah, Grace, Marley, Bryanna and Rachael all went 3-0 for the day! Relatively speaking, today was a great start to the season!</p>
