<p>Overcoming a slow start in tennis is always possible, but certainly makes for a tougher, longer day, especially in a 3 match tournament. We dropped the first set in 4 of the first 6 matches on the court, but fortunately we were able to push 3 of them to match tie breaks and win 2 of them. Casidy additionally pulled out a nice match tie break win after winning the first set. I was proud of our resiliency, but we need to start better. I was very pleased with the solid play of Olivia and Ava at #1 doubles as they cruised through their match. Elly was also impressive as she rebounded nicely from a 0-3 start to take 12 of the last 15 games. Winning the team match was definitely a goal and I'm proud of the fact that we achieved that, but too many careless errors made the achieving of that goal much harder than it needed to be.</p>
