London 2018 – March On!

Students of Hartford Union High School are embarking on a large scale project to coordinate a music performance and education tour to London, England in 2017 – 2018; ***The 2018 London Trip***. Our goal is to raise funds so that all 141 members of the HUHS Marching Band and Orchestra will be able to participate in this once in a lifetime opportunity.

To help students raise funds, to lower the individual costs of the trip, to support those students and families with financial hardships, and to provide a way for the greater Hartford area community to support our students, we have created a dedicated fund: **The 2018 London Trip Fund**.

Our goal is to provide this transforming experience to any band/orchestra student who aspires to participate. If you would like to support these HUHS students and be a part of their educational experiences, donations and financial support can be sent directly to...
