RE: FRESHMAN COURSE SELECTION PROGRAM FOR 2017-2018 SCHOOL YEAR

It is our pleasure to invite you and your child to the Hartford Union High School Freshman Course Selection Program on February 1, 2017. This program is **extremely** important for both you and your child: you will receive essential information regarding freshman course selection and summer school offerings. In addition, you will be provided with the 2017-2018 Course Planning Guide and scheduling information and materials.

Enclosed with this letter are two forms that you will need to complete and bring with you to the course selection program: a student data form and home language survey. The preprinted student data form (tan) contains information we received from your current K-8 school. Please correct or complete the information on this form by clearly printing any missing or incorrect data. It is necessary to include middle names as well as an email address. Please ensure that this information is complete and correct.

The home language survey (white) is required for all students enrolling in the district. Due to Wisconsin state requirements and the importance of accuracy, the data form and home language survey must be completed only by the PARENT/GUARDIAN. If you are unable to attend the evening program, please return the completed form to the following address: Hartford Union High School, Student Services Office, 805 Cedar Street, Hartford, WI 53027.

A schedule for the course selection program is provided below.

Wednesday, February 1, 2017	
5:30 – 6:00 PM	Returning Data and Home Language Forms & Distribution of Scheduling/Summer School Materials – Field House
6:00 – 6:20 PM	Course Selection Program – Field House

Parking is recommended in the North Student lot. If the program is cancelled, the snow date will be Thursday, February 2.

Please direct any questions you may have to the Student Services Office at 262-670-3200, Ext. 214. Thank you for your assistance with this process. We look forward to seeing you at the Freshman Course Selection Program and Showcase.
