

Math Readiness Course

(non-credit)

Who: Any incoming student registered to take Algebra II or Honors Algebra II.

What: A dedicated time to review and practice applying Algebra I concepts in order to build skills and support students' success in their next level of math. There will be an emphasis on solving & graphing linear equations and inequalities, simplifying polynomials and solving polynomial equations. Utilizing graphing calculators, students will work in small groups to apply these skills through a variety of activities.

** Students will need to bring a TI-83(+) or a TI-84(+) for this week.

When: Monday, July 30th through Friday, August 3rd 8:00 a.m. – 10:30 a.m.
(Transportation will not be provided)

Where: Hartford Union High School (classroom to be determined)

Contact Person: Christine Dubnicka, HUHS Math Teacher
(262) 670-3361 christine.dubnicka@huhs.org
