

## 2018 Summer School Course Catalog

### Course Selection Guidelines

The Skyward Student Access portal for summer school course selection opens Wednesday, February 7 at 8:00 a.m. and closes Monday, February 12 at 8:00 p.m. Directions on how to register online can be found on the HUHS webpage (*Academics, Programs, Summer School*). Please note various start and end times for each class. **Students taking a course for credit are only allowed one absence.** Due to the popularity of our summer school Work Ahead courses, requests that exceed maximum capacity will follow a lottery process. If necessary, the lottery will be held on Wednesday, February 14. You will receive an email confirming your course selection and/or lottery results the week of February 19.

### Summer School Work Ahead

<b>5100SS</b>	<b>Foundations of PE</b> <b>Grades 9 - 10</b> June 18 – July 20 (no class July 4) 7:45 a.m. – 11:00 a.m.	<b>0.5 credit</b> This class is a required PE credit for graduation.
A sound mind and body are essential to living life to the fullest. The objectives of physical education are skill development, physical fitness, and an understanding of the need for exercise and how it affects the body. All students enrolled in Foundations of PE are required to take swimming, dance, weight training, and fitness units. The remaining units will be fitness-based activities.		
<b>5320SS</b>	<b>Individual and Dual Sports</b> <b>Grades 10 – 12</b> <b>Prerequisite: Foundations of PE</b> June 18 – July 20 (no class July 4) 7:45 a.m. – 11:00 a.m.	<b>0.5 credit</b>
This pathway is designed to expose students to a variety of individual and dual activities. This course will emphasize health and skill-related components of fitness including tennis, badminton, pickleball, outdoor pursuits (kayaking and canoeing), fly casting, golf, spinning, cross country skiing, and snowshoeing.		
<b>5306NC</b>	<b>Strength and Speed for the Athlete</b> <b>Grades 9 - 12</b> June 11 – July 20 (no class July 4) Monday, Tuesday, Thursday & Friday 7:30 a.m. – 9:15 a.m.	<b>No credit – ENRICHMENT ONLY</b>
<b>5307NC</b>	<b>Strength and Speed for the Athlete</b> <b>Grades 9 - 12 (Grade 9 preferred)</b> June 11 – July 20 (no class July 4) Monday, Tuesday, Thursday & Friday 9:15 a.m. – 11:00 a.m.	<b>No credit – ENRICHMENT ONLY</b>

5308NC	<b>Strength and Speed for the Athlete</b> <b>Grades 9 - 12</b> June 11 – July 20 (no class July 4) Monday, Tuesday, Thursday & Friday 11:00 a.m. – 12:45 p.m.	<b>No credit – ENRICHMENT ONLY</b>
<p>Strength and Speed for the Athlete is for students interested in improving general athletic and physical skills. Power, speed, agility, flexibility, strength, and overall athleticism are the points of emphasis. Students who take this enrichment option can repeat Strength and Speed for the Athlete for credit during the school year. Daily attendance is not required for this enrichment course.</p>		
8415SS	<b>Focus on Careers: Online</b> <b>Grade 11</b> June 11 – July 20 Attendance requirement is based on daily assignment completion. 6 weeks Required student meeting in May. Date to be determined.	<b>0.5 credit</b> This class is required for graduation and also available during the school year.
<p>HUHS Juniors will focus on career exploration and development while introducing personal finance concepts. Students will have the opportunity to examine post-secondary options and resources available for success. Students will also focus on employability skills, job campaign credentials, interviewing techniques, and a job shadow. The Financial Literacy Graduation Requirement is met through mastering course learning targets. The Focus on Connections event associated with this course allows students to apply the concepts learned and life choices made in a simulated environment. In order to successfully pass, Focus on Careers students will need to meet several course requirements during the school year. This will be communicated to all summer school students and parents during the class.</p>		
Please see Math Readiness flyer to enroll.	<b>Math Readiness (Algebra II)</b> <b>Open to any student taking Algebra II or Honors Algebra II</b> July 30 – August 3 8:00 a.m. – 10:30 a.m.	<b>No credit – ENRICHMENT ONLY</b>
<p>Students will review and practice applying Algebra I concepts needed to be successful in Algebra II or Honors Algebra II. There will be an emphasis on solving and graphing linear equations and inequalities, simplifying polynomials and solving polynomial equations. Available to any student registered to take Algebra II or Honors Algebra II. Students will need to bring a TI-83(+) or a TI-84(+) graphing calculator.</p>		
Please see Spanish Readiness flyer to enroll.	<b>Spanish Readiness</b> <b>Grades 9 - 12</b> July 23 – July 27 8:00 a.m. – 10:30 a.m.	<b>No credit – ENRICHMENT ONLY</b>
<p>Students will review necessary skills in order to be successful in Spanish II. Incoming freshmen are required to take the Spanish II placement exam in order to register for this class. Students in grades 10 - 12 are encouraged to register based on current Spanish I teacher recommendations. The content of the class will be designed based on the feedback from the placement exam and teacher recommendations. Content includes conjugating verbs in various tenses and enhancing vocabulary, as well as working on speaking and writing production skills.</p>
