After a week of practices in the field house it was great to get out and play on real courts. Mukwonago had a brand new complex this past fall which made for a great place to play. All of our matches were very competitive other than at #1 doubles where we got steam rolled by a pair of state qualifiers. Unfortunately, we weren't able to pull out some very close matches and come out with a hard fought team win. Waukesha South came up big at the end of most sets as we had early leads that we held mid way through the first set in most matches. While all players were in the same situation, we looked like a team that hadn't been outside for a week hitting as in general our consistency in singles was not what it has been and needs to be for us to win matches. At doubles we found ourselves not being as aggressive as we need to be and unable to execute some volleys and overheads that wouldn't have potentially changed the outcome for us at #2 and #3 doubles.
