

## Away meet transportation

Below are the instructions on how a family can change their transportation options in skyward..

Login into Skyward Family Access, click on Online Forms - click on View next to the Return to Learn/Transportation - click on Mark as not Complete at the top of the screen - click on step one then click on Edit at the bottom of the screen and make the changes needed. Once the necessary changes have been made click on Complete Step 1 and Move to Step 2 - click on Submit Return to Learn/Transportation.

You will get an email confirmation that the changes have been completed and submitted to the email address that we have on file.
