

H-Club Permission Slip

H-Club is a service organization that provides numerous opportunities for student athletes to give back to the greater Hartford community. Your student-athlete has access to the H-Club volunteer document that lists all H-Club events along with the dates and times. This document is very fluid as requests to us are made frequently. Some events are required, but for others attendance is limited and athletes may choose to attend or not. If there is an event that you do not wish your student-athlete to participate in, please email kristen.helms@huhs.org. Athletes who have permission to transport themselves to events may do so. Athletes who cannot drive or do not have permission to self-transport will ride in a school van with an advisor. Parents/Guardians will receive notification via Skyward if student-athlete will be excused from school for an H-Club event.

I hereby give permission for my child to participate and travel to any H-Club sponsored event either during the school day or after school hours. I understand that if I have any special concerns regarding my child participating in an H-Club event, I should convey such requests in writing to the supervising advisor. Both my student athlete and I have read and understand the expectations of H-Club and agree to abide by those expectations.

Student Name (Please Print): _____ **Grade:** _____

Student Athlete Signature: _____ **Date:** _____

Parent/Guardian Signature: _____ **Date:** _____
