A Message From Our School Board President, Tracy Hennes

Greetings from the HUHS Board!

As the 2022-2023 school year and fiscal year come to a close at HUHS, there is much to celebrate, reflect upon, and look forward to. In this issue of *Ovations*, you will find celebrations, reflections, and plans.

We'd love to get your feedback and ideas! We are after all, a public school district with local community control. We'd love to hear more from our students, staff, parents, community members, alumni, and organizations and businesses we partner with. Opportunities to share with us include the Customer Service link on the HUHS website homepage, the current feedback form on library/reading materials in our district on the HUHS website under Menu, About Us, and Board of Education, addressing the Board regarding agenda items at Board meetings, emailing administrators or Board members, and watching for other opportunities on the horizon, such as Citizens Advisory Committee meetings.

Please watch the homepage for upcoming events and soon to come, Board Bulletin webpage. If you have ideas on how to better communicate about HUHS, please let us know. If you're a former student with ideas for your alma mater, we'd love to hear from you. If you're a recent graduate who'd like to now give some constructive feedback on your experiences as a student, please reach out to us. HUHS is here to serve as we march forward together into the future.

A Message From Our Superintendent

Greetings!

Summer is upon us, and I am so very excited for the days and months ahead! This time provides us an opportunity to reflect and celebrate the successes of the past school year, while setting goals to improve in areas where we can do better moving forward.

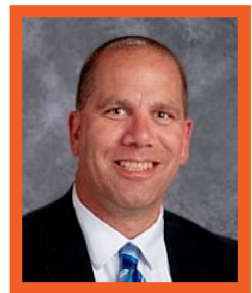

Hartford Union High School is doing great things! We have an awesome staff across all of our employee groups that is focused on making our campus a great place to learn and play! We provide an unmatched number of opportunities for students, providing experiences for all learners driven by their unique individual passions and interests!

We celebrate the return of the VISION project, a partnership program with the Harford Rotary Club providing our students an opportunity to design and build a house in the Hartford community. This year's house was completed near the end of May, and as of this writing, has an accepted offer to be purchased. Thank you to instructor Mr. Murphy, our amazing students, and the contractors and Rotary members who were so instrumental in making this a wonderful, immersive experience for everyone!

Finally, we celebrate the Class of 2023. Go off and be the change, make a difference, and congratulations on a job well done!

Wishing everyone a happy and healthy summer spent with family and friends!

Superintendent

Jeffrey A. Walters

Did you know?

Over 1300 students from 225 square miles are enrolled at HUHS.

School Celebrations

During the 2022-2023 school year, we were recognized as a Level III Advanced Placement Pacesetter School. Fifteen of our Auto Tech students passed the ASE Maintenance and Light Repair certification. One HUHS student earned the highest ACT score of 36 and another earned a 36 superscore. Individual student awards include NCWIT-WI award winner, a Regeneration Science Talent Search Scholar, and a Commended Student in the 2023 National Merit Scholarship Program. During the 2021-2022 school year, HUHS students that participated in dual college credit courses through Moraine Park Technical College saved a combined \$26,508!

Student Opportunities

- 1:1 technology initiative
- 19 AP classes
- Block schedule
- Cross-departmental bundled, co-taught courses
- Dual college credit
- Technical College accredited courses
- Youth Apprenticeship
- New course offerings for '23-'24: Aviation and Aerospace and eSports

Academic and Career Planning

We provide rich experiences in a number of career pathways including but not limited to Certified Nursing Assistant, Emergency Medical Technician, Computer Science, Biomedical Sciences, Culinary, Autos, Project Lead The Way, STEM, and the opportunity to build the VISION house. Our unique Graduate Profile/requirements for graduation include experiences in career, college, and life.

Community Partnerships

Thank you to our community and industry partners for enhancing educational experiences for students.

We value your partnership!

- Day of Service
- Youth Apprenticeship
- Armed Services Visitors
- GPS Education Partners Programming
- CESA Programming
- MPTC Programming
- UW-Milwaukee Washington County Programming

Co-Curriculars

We offer over 60 co-curricular opportunities for our students who compete at both State and National levels.

Options include Bowling Club, Environmental Club, Equestrian Club, Musical, FFA, Fishing Club, Robotics, Trap Shooting, Snowboarding and much more.

Scan to see all opportunities.

Our Reasons Why

Andrew Frase- Class of 2023

Future Plans: Finish my training with the Army National Guard and heading to my unit in Ashland Wisconsin.

Hartford Area School: Central Middle School

Favorite Class: Architecture

Favorite thing about HUHS: How advanced our Tech Ed program is compared to other schools and how tied in it is to our community. *"The growth and maturing that I've seen in Andrew over 4 years is the reason why I love teaching. To see a student find their passion and watch the change inside them is awesome to witness."* - Mr. Murphy

Brady Senkbeil- Class of 2024

Future Plans: Going to college to either pursue a career in the sports medicine field or special education.

Hartford Area School: Central Middle School

Favorite Class: Concert Choir and French

Favorite thing about HUHS: The wide variety of activities, like music or foreign language related.

"Brady is a very dedicated student who always works hard, puts in extra effort, and is very creative! He is a great role model for other students, and is a very positive influence in class." - Ms. Piittmann

Norah Arnold- Class of 2025

Future Plans: To go to college for art in sculpture or for psychology.

Hartford Area School: I came from Immanuel Lutheran in Brookfield.

Favorite Class: Pottery, Metals, and Sculpture 1

Favorite thing about HUHS: My friends, my teachers, and my teammates on the Cross Country and Track teams!

"Norah has been a great addition to our student body. In English class, she is a natural leader in small-group discussions, offering thoughtful and wise ideas but also finding appropriate humor and joy in the process." - Mr. Korte

Julia Holz- Class of 2026

Future Plans: To go to college and have a career in either climate science or biology.

Hartford Area School: Erin School

Favorite Class: Biology

Favorite thing about HUHS: All of the sports, clubs, and activities that are offered. There really is something for everyone no matter what your interests are.

"Julia was an excellent student that always asked the important questions. Julia is the kind of student every teacher loves working with!" - Mr. Martin

New Course Offerings

Aviation and Aerospace

We are so excited that our Board of Education has approved the AOPA Foundation High School STEM curriculum starting in the fall of 2023. Introduction to Aviation and Aerospace will be taking off at HUHS and will compliment the Aviation Club program offered by Kettle Moraine Youth Aviation.

The course and club hope to satisfy a real need for aviators in the future. According to the You Can Fly AOPA Foundation, "By 2041, 602,000 new pilots and 610,000 technicians will be needed worldwide, according to Boeing's Pilot and Technician Outlook.

Mr. Jeffrey A. Walters, HUHS Superintendent said, "We are extremely grateful for the leadership of Dr. Sullivan who founded KMYA in 2020, and the many mentors who have made the experience with the Aviation Club such a success. We are so excited that these students can continue to pursue their interest and passion for aviation through this new course offering."

Students in the Aviation Club building their second aircraft

eSports

Our Board of Education has also approved the addition of a new eSports course that will also start in the fall of 2023. In this new course, students will have an opportunity to learn about the eSports industry, engage in the play experience, and get a deeper insight into the eSports ecosystem. ESports is a billion-dollar business within the US and we cannot wait to engage our students in this up-and-coming industry. This course will enhance students' abilities to work well with others, social skills, strategic thinking and planning, managing successes and failures, time management, and more.

As with traditional sports, eSports is much more than a game. It involves critical thinking and decision-making, leadership and teamwork, accountability and responsibility, and growing collegiate opportunities.

CONGRATULATIONS

Scholarship Recipients

This year, our Scholarship Foundation awarded HUHS students and alumni a total of \$68,000 for their post-high school 2 year, 4 year, and trades plans!

Visit our website or scan the QR code to see all who were awarded.

Educator of the year

2023

Congratulations

MS. LOCKWOOD

Thank you for your unwavering dedication and commitment to the HUHS Mission!

Congratulations Retirees

Patti Christel: 17 Years at HUHS- School Social Worker
"My future plans include spending time with my children, grandchildren, family, and good friends. I am also going to travel lots. I am grateful for the support, camaraderie, and love shown to me over the past 17 years. I have made lifelong friendships that I treasure."

Janet Jocham: 5 Years at HUHS- Executive Assistant
"I already have many weekday camping trips planned. I plan to get one of my golden retrievers, Wilma, certified as a therapy dog to visit schools and nursing homes. I also plan to volunteer with Interfaith Caregivers starting in the fall. Other than that, I just know I am not getting up to an alarm any time soon."

Kerry Juarez: 7 Years at HUHS- Food Service
"I am looking forward to our upcoming adventures but will definitely miss the students, staff, and my kitchen co-workers. Working here has allowed me to spend time with my kids and grandkids during the summer as well as manage the Daniel Boone Conservation League property with my husband."

Kelly Klein: 28 Years at HUHS- Food Service
"I'm very excited to spend more time with my 3 grandchildren with another on the way any day. My retirement will allow me to do what I want with my husband with no time schedule. Hopefully my sister Kerry (who is also retiring this year) and her husband will let Keith and I join them on a camping trip to some NASCAR races."

Grace Michalski: 11 Years at HUHS- Food Service
"During retirement, I plan to finish writing my book and then I'll write a children's book about my dog, Jace. While I will miss my co-workers and the students, I won't miss all of the dishes!"

Spring Sports Update

Baseball - SECTIONAL CHAMPS

2nd Team- Austin Kutz and Carter Kutz
Honorable Mention- RJ Thomae and
Braycen Burg

Golf - 2nd Place

1st Team- Owen Kuepper and Brady
Isselmann
3rd Team- Bennett Klages

Soccer

Honorable Mention- Molly Zickert and Alyssa Hadley

Sotfball - 2nd Place

Player of the Year- Brooke Voss

1st Team- Brooke Voss, Sierra Loosen, and Lauren Voss

Nondiscrimination Statement: It is the policy of the Hartford Union High School District, pursuant to s. 118.13, WI Stats., and PI 9 that no person, on the basis of race, color, age, national origin, ancestry, religion, creed, sex (including transgender status, change of sex, sexual orientation, or gender identity), pregnancy, marital or parental status, military status, genetic information, or physical, mental, emotional, learning disability or handicap, may be denied participation, be denied admission to any school in this District or be denied participation in, be denied the benefits of, or be discriminated against in any co-curricular, pupil service, recreation, or other programs. This policy also prohibits discrimination as defined by Title IX of the Educational Amendments of 1972 (sex), Title VI of the Civil Rights Act of 1964 (race and national origin), and Section 504 of the Rehabilitation Act of 1973. The Hartford Union High School District has adopted a policy of nondiscrimination. In addition, the District has adopted procedures regarding the processing of discrimination complaints. Copies of the policy, procedures, and complaint forms are available, upon request from any administrator. It is the policy of the Hartford Union High School District, pursuant to PI 41.04(1)(a), to provide for the reasonable accommodation of a student's sincerely held religious beliefs with regard to examinations and other academic requirements. Requests for accommodations may be directed to any administrator. Questions or concerns regarding the District's nondiscrimination policy and procedures should be directed to the Human Resources Supervisor or the Director of Business Services, Hartford Union High School, 805 Cedar Street, Hartford, WI 53027, (262) 670-3200.
